

BOOK LOCATION GUIDE

- Building Services Engineering
- Information Technology
- Industrial management
- Land Surveying Technology
- Media Engineering

001	Science and knowledge in general	● 621	Mechanical engineering. Refrigeration technique
● 004	Computer science. Generalities	● 621.3	Electrical engineering
● 004.0	Quality and security of systems and software	● 621.38	Electronics. Electronic devices
● 004.4	Software. Generalities	● ● 621.39	Telecommunications technology. Signal processing. Radio communications. Telephony. Video technique
● 004.42	Programming. Computer programs	● 628	Public health engineering. Lighting
● 004.43	Programming languages	● 65	Management and organization of industry, trade and transportation
● 004.45	Operating systems	● 655	Graphic industries. Printing. Publishing
● ● 004.5	Hypermedia. Multimedia. User interfaces	● 657	Accounting
● 004.7	Computer communication. Computer networks	● 658.3	Personnel management
● ● 004.92	Computer graphics. Image processing. Web design	● 658.7	Logistics. Procurement. Storage
02	Librarianship. Information studies	● 658.8	Marketing. Advertising
1	Philosophy. Ethics	● 659	Mass communication. Social media
159.9	Psychology	676	Pulp and paper industry
30	Social sciences	● ● 681.5	Automatic control engineering
31	Statistics	● 69	Building industry, materials. Construction
316	Sociology	● 696	Heating, plumbing and ventilation engineering. Electrical installations
33	Economics. Taxation. Political economics	● 697	Heating. Air conditioning. Internal air
331	Employment. Occupational safety	7	Arts. Photography. Cinema
● 332	Land and real estates	● 71	Regional planning. Landscaping
339	International trade. Globalisation	796	Games. Sport. Health
34	Law. Legislation	80	Finnish language. Communication in Finnish
37	Education. Teaching	801.3	Dictionaries. Multilingual
● 502/504	Nature. Environmental science. Conservation of natural resources	802	English. Communication in English
51	Mathematics	803	German
● 528	Geodesy. Cartography	803.97	Swedish
53	Physics	804	French
54	Chemistry	806	Spanish
60	Applied Sciences. Technology. Generalities	808.2	Russian
● 620	Materials testing. Economics of energy	809	Other languages
		809.454	Finnish as a second language
		9	History. Biography
		91	Geography. Exploration. Travel
